

**No. 10 Regular Envelope (9.5" W x 4.125" H)**

The image shows a white rectangular area representing the front view of a No. 10 Regular Envelope. The envelope is oriented horizontally. Dashed lines indicate the fold lines: a vertical line down the center, two diagonal lines from the top corners to the center, and two horizontal lines near the top corners. A pink dashed line follows the outer perimeter of the envelope, including the top flap. The word "FRONT" is printed in large, bold, grey capital letters in the center of the white area.

**FRONT**
